TRAVEL LOG

The TRAVEL LOG was set up to assist fellow graduates while traveling across the United States. It was a way of letting fellow graduates travel with a little less cost. A provider would open their home to another provider (or non-provider) with a place to spend an evening, or two, or whatever, while traveling. Also, the provider would give the traveler ideas of things to do in the area. To be a member of the TRAVEL LOG, you must be a current paid member of Chapter One. You must also be a current paid member of the TRAVEL LOG (membership is from 1 November – 31 October.) The provider will set their own house rules, length of stay, if pets are allowed, etc. Also, the provider will not be required to feed or entertain TRAVEL LOG guest. A non-provider would be a sponsor of the TRAVEL LOG, but has decided not to open their home to travelers. They will offer information about accommodations in their area and places to see. They are able to use the TRAVEL LOG as a regular member.
